*Mass Intentions by Fr William Sanders*

An individual may ask a priest to offer a Mass for several reasons: for example, in thanksgiving, for the intentions of another person (such as on a birthday), or, as is most common, for the repose of the soul of someone who has died. One must never forget the infinite graces that flow from the Sacrifice of the Mass which benefit one's soul. Pope Leo XIII in his encyclical "*Mirae caritatis*" (1902) beautifully elaborated this point and emphasized the connection between the communion of saints with the Mass: "The grace of mutual love among the living, strengthened and increased by the sacrament of the Eucharist, flows, especially by virtue of the Sacrifice [of the Mass], to all who belong to the communion of saints. For the communion of saints is simply ... the mutual sharing of help, atonement, prayers and benefits among the faithful, those already in the heavenly fatherland, those consigned to the purifying fire, and those still making their pilgrim way here on earth. These all form one city, whose head is Christ, and whose vital principle is love. Faith teaches that although the august Sacrifice can be offered to God alone, it can nevertheless be celebrated in honor of the saints now reigning in Heaven with God, who has crowned them, to obtain their intercession for us, and also, according to apostolic tradition, to wash away the stains of those brethren who died in the Lord but without yet being wholly purified."

## June 23, 2019 — Feast of the Body and Blood of Christ

### *"The food that makes us live for ever in Jesus Christ"*

When we receive from the Lord's table we unite ourselves to Jesus Christ, who makes us sharers in his body and blood. Ignatius of Antioch (35-107 A.D.) calls it the "one bread that provides the medicine of immortality, the antidote for death, and the food that makes us live for ever in Jesus Christ" (*Ad Eph. 20,2*). This supernatural food is healing for both body and soul and strength for our journey heavenward.

When you approach the Table of the Lord, what do you expect to receive? Healing, pardon, comfort, and rest for your soul? The Lord has much more for us, more than we can ask or imagine. The principal fruit of receiving the Eucharist is an intimate union with Christ. As bodily nourishment restores lost strength, so the Eucharist strengthens us in charity and enables us to break with disordered attachments to creatures and to be more firmly rooted in the love of Christ. Do you hunger for the "bread of life"?

"Lord Jesus, you nourish and sustain us with your very own presence and life. You are the "Bread of Life" and the "Cup of Salvation". May I always hunger for you and be satisfied in you alone."

**Prayer to St John the Baptist**

O God, you raised up St. John the Baptist to prepare a perfect people for Christ. Fill Your people with the joy of possessing His grace, and direct the minds of all faithful in the way of peace and salvation.  
Grant that St. John was martyred for truth and justice, so we may energetically profess our Faith in You, and lead others to the Way, the Truth, and Eternal Life. *Amen.*

**What is Divine Renovation?**

Parishes around the world are emptying, aging, sleeping, dying. It doesn't need to be this way. Divine Renovation points a way forward. We don't have all the answers but we believe we have many of the right questions. And we've experienced first-hand what it's like to be a missional parish. Divine Renovation was birthed out of a real experience of renewal. Fr. James Mallon along with the team at Saint Benedict Parish in Halifax, Canada transformed their parish into a vibrant community of missionary disciples. Pastors, priests and leaders from around the world took notice. The Divine Renovation ministry with its events, books, coaching, and resources is a response to the incredible hunger for renewal. The ministry desires to inspire and equip every leader out there so that they can move their parish from maintenance to mission.

Over the past several years we've seen firsthand the transformations in parishes across the world as they move from maintenance to mission. Parishes of all shapes, sizes, and makeups are making missionary disciples through this work. We exist to help parishes make these transformative steps forward.

**The Divine Renovation Network**

The Divine Renovation Network provides members with access to a behind-the-scenes glimpse at what it looks like to be a missional church. We provide a library of action-oriented resources as well as a series of live leadership sessions featuring leaders, coaches and priests that help provide concrete examples of how to do things effectively.

The network helps connect leaders with others who are on the same journey. We provide insights on best practices, some of the pitfalls to be avoided, and how to mobilize your parish for mission while caring for committed parishioners.

This program is designed to support you as you do the real work of a missional parish. Our network presumes that pastors are working in teams whose members are committed to a common vision
