This year, Catechetical Sunday occurs during the last part of the Year of Faith, a special year in which the disciples of Jesus Christ are invited to re-discover the heart of their faith, and to continue on the journey which gives meaning to their lives, eventually making a public profession of their faith. It is important to see that everyone present in the assembly takes an interest to undertake or to continue a journey to deepen their faith through catechesis. We wish to celebrate this great responsibility of the Church. We highlight the great gift which God has given to us. After showing us that Jesus is the Way, he entrusted to us the responsibility of continuing to proclaim this good news to the world. God trusts each one of us that his Word will continue to be proclaimed. But beware! If this happens, it could change lives! And if this happens to a lot of us, it could even change the life of our Christian community! Are we ready to let new paths be forged so that His word can be heard throughout the world today.

Terrel Joseph—Youth Ministry

Greetings everyone! My name is Terrel Joseph. I am very happy to accept Fr. Gregory's invitation to serve the parish community of St Willibrord as your coordinator of Youth Ministry. Youth Ministry, as the name suggests, seeks to bring the Good News of Jesus Christ to young people, in forms and language that inspires their curiosity and stirs their hearts to desire to become friends with Jesus. There is an old saying that it takes a village to raise a child. The same is true of Youth Ministry. It takes a whole parish community to form a young person into an articulate and committed Christian. As youth minister, I will be working hard to integrate our young people into full participation in the life of the parish. Therefore, I would like to invite all of you, the whole parish community, and especially our parents, to help me in building this ministry for our youth
